

## Customer Testimonials

### **School District Of Waukesha | Counselor | 12,080 Students | WI**

"All of the feedback I have received from the referrals I have initiated have been positive. I appreciate the opportunity to follow up with families that are not easily getting on board. Thank you for your service."

### **Hamilton SD | Principal | 5,063 Students | WI**

"Care Solace is very helpful for families and is providing the support they need. The promptness of responding to requests and families has been strong. Families are getting resources quickly."

### **Wauwatosa SD | Counselor | 7,243 Students | WI**

"Care Solace has taken on the heavy lift of ensuring all my students have access to mental health providers. So often I have had conversations with parents that say they don't even know where to start. Care Solace takes care of all of that and has saved both myself and my students so much time and energy."

### **Elk Mound Area SD | Counselor | 1,220 Students | WI**

"I love the easy access to services for our students, staff, and community. Thank you for everything that you do!"

### **Madison Metropolitan SD | Psychologist | 26,190 Students | WI**

"My experience has been so wonderful. I feel so lucky that we have this as a resource. When I am not sure how to support a parent or student - I know that Care Solace will find them the community care they need and it takes so much off my plate."

### **School District of Beloit | Counselor | 5,600 Students | WI**

"I like all the different types of support and follow ups that are provided through Care Solace for parents in terms of referring students to counseling and following up with parents via text, phone, etc. Care Solace has access to a wide variety of resources, knowledge, counseling agencies, and more."
